The Type Of Personal Information We Collect:

We currently collect and process the following information:

- Personal identifiers, contacts and characteristics (for example: name and contact details, e-mail address)
- Previous employment history

How We Get The Personal Information And Why We Have It:

All of the personal information we process is provided to us directly by you for one of the following reasons:

- During application of a vacant position
- Expressions of interest for any future vacant positions

We may also receive this personal information indirectly, from the following sources in the following scenarios:

- An employment service, such as NHS Jobs.

We Use The Information That You Have Given Us In Order To:

- Contact successful / unsuccessful applicants

We do not share this information with any other organisation.

Under the General Data Protection Regulation (GDPR), the lawful bases we rely on for processing this information are:

(a) Your consent. You are able to remove your consent at any time and you can do this by contacting Mark Shipston.

(b) We have a contractual obligation to advertise employment vacancies and thus process the applicants derived from this.

(c) We have a legal obligation to advertise employment vacancies and thus process the applicants derived from this.
